STA 110: Business Statistics

Fall Term 2026 | Instructor: Ms. N. Okafor

How You Will Be Assessed

There are four homework sets, due every second Friday starting on November 6, 2026 (so on November 6, November 20, December 4 and December 18). Each homework set is worth 3% of your final grade.

The midterm test takes place on December 3, 2026 and counts for 30% of the grade. A statistical report on a dataset of your choice is due on December 17, 2026 and is worth 20%. Class participation, including in-class polls and discussion, counts for 10% and is assessed across the whole term. The final exam will be held on January 14, 2027 and is worth 28%.
